

Product: MC-TechniFlow 520

Date of last revision 15/07/2020	Number of last revision: 1	SDS Nº 51	Page 1 of 5
-------------------------------------	-------------------------------	--------------	----------------

## 1. Identification

---

**Product identifier:** MC-TechniFlow 520

**Recommended use of the chemical:** Concrete/Mortar admixtures

**Identification Code:** 003371

**Supplier's name:** MC-Bauchemie Brasil

**Address:** Rua Henry Martin, 235 - SP

**Supplier's phone number:** (11)4158-9158

**Emergency phone number:** (11) 0800 172 020 / (11) 0800 707 7022

---

## 2. Hazard identification

---

**Classification of the substance or mixture:** Chemical not classified as hazardous according to GHS

**Precautionary recommendations:** Not applicable

**Other information:** Not applicable

---

## 3. Composition/Information on ingredients

---

**Product Type:** Mixture

This mixture does not contain ingredients or impurities that contribute to its hazard.

---

## 4. First-aid measures

---

**First-aid measures**

- **Inhalation:** Supply fresh air
- **Skin contact:** The product is not skin irritating
- **Eye contact:** Rinse opened eye for several minutes under running water
- **Ingestion:** Rinse out mouth and then drink plenty of water. Seek medical treatment

**Most important symptoms/effects, acute and delayed:** Chemical not classified as hazardous according to GHS.

**Indication of immediate medical attention and special treatment:** No further relevant information available

---

## 5. Fire-fighting measures

---

**Suitable extinguishing media:** Use fire fighting measures that suit the environment

**Unsuitable extinguishing media:** No further relevant information available

**Specific hazards arising from the chemical:** No special measures required

**Special protective actions for fire-fighters:** Use personal protective equipment, especially respiratory protection. No special measures required

---

Product: MC-TechniFlow 520

Date of last revision 15/07/2020	Number of last revision: 1	SDS N° 51	Page 2 of 5
-------------------------------------	-------------------------------	--------------	----------------

## 6. Accidental release measures

---

### Personal precautions, protective equipment and emergency procedures

- **For non-emergency personnel:** Keep non-emergency away
- **For emergency responders:** Use workwear safety clothes, shoes and glasses. Avoid contact with the product.

**Environmental precautions:** Dilute with much water

**Methods and materials for containment:** Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust)

**Area isolation:** Isolate the area

**Methods and materials for cleaning up:** Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust)

---

## 7. Handling and storage

---

### Precautions for safe handling

- **Prevention of workers exposure:** No special measures required
- **Fire and explosion:** No special measures required
- **Precautions for safe handling:** The usual precautionary measures should be adhered to in handling the chemicals
- **Hygiene measures**
  - **Suitable:** Store the product in covered, dry and ventilated areas. Keep the packaging always closed
  - **Unsuitable:** No special measures required

### Conditions for safe storage

- **Conditions for safe storage:** Covered, dry and ventilated areas
- **Conditions to avoid including incompatibilities:** No special measures required
- **Packaging materials**
  - **Suitable:** Original container
  - **Unsuitable:** Not available

**Other information:** No further relevant information available

---

## 8. Exposure controls/personal protection

---

### Control parameters

- **Occupational exposure limits:** The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace

Product: MC-TechniFlow 520

<b>Date of last revision</b> 15/07/2020	<b>Number of last revision:</b> 1	<b>SDS N°</b> 51	<b>Page</b> 3 of 5
--	--------------------------------------	---------------------	-----------------------

- **Biological indicators values:** Not available
- **Other limits and values:** Not available

**Appropriate engineering controls:** Provide ventilation combined with local exhaust

**Individual protection measures, such as personal protective equipment**

- **Eye/face protection:** Safety glasses
- **Skin protection:** Protective work clothing
- **Respiratory protection:** Not required
- **Hands protection:** Protective gloves. Nitrile rubber NBR or Butyl rubber BR
- **Thermal hazards:** Not available

**Other information:** The usual precautionary measures should be adhered to in handling the chemicals

---

## 9. Physical and chemical properties

---

- **Appearance**  
**Physical state:** Fluid; **Form:** Liquid; **Color:** Yellow to Brown
- **Odour:** Characteristic
- **Odour threshold:** NA
- **pH:** 7.7
- **Melting point/freezing point:** Not determined
- **Initial boiling point:** 100 °C
- **Boiling range:** Not determined
- **Flash point:** Not applicable
- **Evaporation rate:** Not applicable
- **Flammability (solid, gas):** Product is not selfigniting
- **Lower flammability or explosive limits:** NA
- **Upper flammability or explosive limits:** NA
- **Vapour pressure:** NA
- **Vapour density:** NA
- **Relative density:** 1.08
- **Solubility(ies):** Fully miscible
- **Partition coefficient: n-octanol/water:** Not applicable
- **Auto-ignition temperature:** Not applicable
- **Decomposition temperature:** Not applicable
- **Viscosity:** Not determined
- **Additional information:** No futher relevant information available

---

## 10. Stability and reactivity

---

Product: MC-TechniFlow 520

Date of last revision 15/07/2020	Number of last revision: 1	SDS N° 51	Page 4 of 5
-------------------------------------	-------------------------------	--------------	----------------

**Chemical stability:** Under normal storage conditions, the product is stable

**Reactivity:** No further relevant information available

**Possibility of hazardous reactions:** No dangerous reactions known

**Conditions to avoid:** No further relevant information available

**Incompatible materials:** No further relevant information available

**Hazardous decomposition products:** No dangerous decomposition products known

---

## 11. Toxicological information

---

**Acute toxicity:** Based on available data, the classification criteria are not met

**Skin corrosion/irritation:** Based on available data, the classification criteria are not met

**Serious eye damage/irritation:** Based on available data, the classification criteria are not met

**Respiratory or skin sensitization:** Based on available data, the classification criteria are not met

**Germ cell mutagenicity:** Based on available data, the classification criteria are not met

**Carcinogenicity:** Based on available data, the classification criteria are not met

**Reproductive toxicity:** Based on available data, the classification criteria are not met

**STOT-single exposure:** Based on available data, the classification criteria are not met

**STOT-repeated exposure:** Based on available data, the classification criteria are not met

**Aspiration hazard:** Based on available data, the classification criteria are not met

**Additional information:** No further relevant information available

---

## 12. Ecological information

---

**Toxicity:** No further relevant information available

**Persistence and degradability:** No further relevant information available

**Bio accumulative potential:** No further relevant information available

**Mobility in soil:** No further relevant information available

**Other adverse effects:** Do not allow undiluted product or large quantities of it to reach ground water, water bodies or sewage system

---

## 13. Disposal considerations

---

### Disposal methods

- **Product:** Disposal must be made according to official regulations
- **Used package:** Disposal must be made according to official regulations

---

## 14. Transport information

---

**National and international regulations:**

Product: MC-TechniFlow 520

<b>Date of last revision</b> 15/07/2020	<b>Number of last revision:</b> 1	<b>SDS N°</b> 51	<b>Page</b> 5 of 5
--	--------------------------------------	---------------------	-----------------------

**Land Transport:**

**Technical name:** Concrete/Mortar admixtures

**Additional information:** The characteristics of the product does not meet the official criteria of dangerous goods for purposes of transportation.

**Additional Regulation:** Not dangerous according to the above specifications

---

## 15. Regulatory information

---

**Safety, health and environmental regulations specific for the product:**

Globally Harmonized System of Classification and Labelling of Chemicals (GHS)

A chemical Safety Assessment has not been carried out

---

## 16. Other information

---

**Other information that does not belong in other sections:**

This Safety Data Sheet (SDS) has been prepared based on current knowledge about chemicals and provides information about protection, safety, health and environment. It is warned that any chemical handling requires prior knowledge of its hazards by the user. The user company is responsible to promote the training of its employees about the potential product risks.
